### Ligare celebrates 30 year anniversary

OPUS Print Group is proud to congratulate Ligare in achievement of its 30 year anniversary which is being celebrated throughout 2009.

From humble beginnings in 1979 as a hand binding company with 3 staff to now a complex full service provider to the publishing industry with over 100 staff, Ligare's journey has been a classic tale of success.

Key to this success has been the overriding commitment to 'keep both our customers and our employees happy at all times'. Founder and current OPUS Print Group Executive Chairman, Richard Celarc, believes this simple commitment is what sets Ligare apart. "Our company continues to grow year on year and is now recognised as one of Australia's leading book printers. This is only made possible through the efforts of our passionate, 'can-do' staff. As a result of their dedication and everyday commitment to service, our customers continue to remain loyal to Ligare."

The official birthday celebration date is 19th September, but the entire company has planned a variety of festivities throughout 2009 to celebrate the milestone. Celebrations include a formal cocktail evening, staff picnic and a 12 month customer marketing promotion.

Also as part of the 30 year celebrations and illustrating the passion and support for the industry, Ligare is sponsoring a number of awards in 2009, including The Australian Awards for Excellence in Educational Publishing (Principal Sponsor), The 57th Book Design Awards (The Best Designed Tertiary & Further Education Book) and The 33rd Annual Galley Club Awards (Platinum Sponsor).
